PROFESSIONAL EXPERIENCE

Graduate Marketing Consultant Feb 2026 - May 2026
TotalEnergies and University of Melbourne

- Conducted 30 customer and stakeholder interviews and 100+ hours of field research to uncover purchase-journey friction, trust barriers, and opportunities to strengthen brand relevance in the Australian market.
- Developed 10 research-backed commercial and marketing recommendations spanning localised messaging, customer engagement, branded materials, and experiential activation.
- Assessed prospective brand sponsorship and partnership opportunities, including sponsorship pricing, and presented recommendations to company representatives and stakeholders.

Marketing and Communications Intern Mar 2025 - Dec 2025
The University of Melbourne

- Independently analysed audience and engagement data across LinkedIn, Meta, and Google Analytics; developed a 12-month communications strategy adopted by the department for ongoing planning.
- Produced 200+ digital content assets across articles, videos, graphics, and website communications, translating complex information into accessible, brand-aligned storytelling.
- Led end-to-end planning and delivery of graduation events, overseeing vendor coordination, budgets, stakeholder communications, scheduling, and on-site execution.

Talent Acquisition Intern Jun 2023 - Sep 2023
Stantec Consulting, Inc

- Managed content updates across 10 recruitment campaigns, collaborating with hiring managers to strengthen employer branding, streamline job postings, and improve candidate communications.

Microsoft Office Teaching Assistant Jun 2022 - Jun 2024
University of Denver

- Trained 400+ students in Excel, PowerPoint and Word, providing weekly instruction, technical support, and feedback to support certification preparation.
